Overview

Another great escape from city life. Situated in ShivapuriNagarjun National Park, the hike takes you through shady forests and past bubbling springs. You can understand why this area is a famous picnic spot for city dwellers who want to get into nature. Whether you are a visiting tourist or living in Kathmandu, this is a great way to relax your body and mind. Starting with a 2-hour drive to Sundarijal, the walking trail takes about 4-5 hours to reach Chisapani.

Here we have time to explore Changu Narayan Temple, dedicated to Lord Vishnu, before driving back to Kathmandu. Here the views of the Himalayas range are simply stunning! This is a reminder to those who live and work in Kathmandu, that this is indeed a Himalayas country! Sunset and sunrise at Nagarkot are very memorable occasions and we suggest you make the effort

to wake up early, even if you feel tired from the day before! After breakfast, the trail from Nagarkot to Changu Narayan takes about 4 hours.

This short, year-round, hike from Chisapani to Nagarkot is the perfect short hike around Kathmandu and a weekend getaway from the hustle and bustle of the city. From Chisapani there are views of the Himalaya range – just a taste of the stunning views to come! The second day of the hike takes you through more forests to reach the hill station town of Nagarkot, approximately 7 hours away.
